INTRODUCTION

The Pension List for the year 1886 appeared in the Hillsborough Gazette, published in Hillsboro, Ohio. It was extracted by Norma P. Stephens, Greenfield, Ohio. Upon contacting the National Archives the following information was forwarded concerning the pension legislation passed in 1886.

"An Act of March 19, 1886 (24 Stat. 5), provided for an increase to twelve dollars per month for widows and dependent relatives of deceased soldiers and sailors.

"An Act of August 4, 1886 (24 Stat. 220), provided for an increase in payments for pensioners who had lost an arm or leg in the service. Both these acts applied to pensioners currently carried on the pension rolls and to future pensioners.

"Therefore, persons receiving pensions based on the War of 1812 and Civil War service were covered by these statutes.

"For additional information concerning pension legislation, please consult William Henry Glasson's History of Military Pension Legislation in the United States (New York, 1900) and the appropriate volumes of United States Statutes at Large. Both these publications should be available at a large reference library or through inter-library loan. "

FRANK G. BURKE
Acting Assistant Archivist
for the National Archives

We wish to thank Congressman Bob McEwen for assisting The Southern Ohio Genealogical Society in obtaining the above information on the pension laws.
